Come to know Fruit Atracttion 2018 by the hand of Siete Agromarketing and e-Comercio Agrario ECA

The leading communication and marketing agency in the agri-food sector, Siete Agromarketing, and the first newspaper on political and economic information, e-Comercio Agrario, will be present

once again at the main fair dedicated to the fruit and vegetable sector that takes place in Spain, Fruit Atracttion, to be held from 23 to 25 October 2018 at IFEMA. We will be at stand 8AOOB.

> On the occasion of the celebration of the Fruit Attraction, SIETE Agromarketing has just launched another edition of its magazine specialized in the fruit and vegetable sector, ECA Fruits.

In it we offer a complete analysis of the current situation of the horticultural sector, with special emphasis on its main political and economic keys, aspects such as innovation and R & D, distribution, challenges such as sustainability and internationalization with the opening of new markets ... and all this reflected through the signatures of experts and recognized collaborators, monographic information and reports. In addition, the director of the fair Raul Calleja reveals the keys that have led to this event to become one of the greatest references in the field of the sector.

Do not hesitate to visit our stand to know all the information on both the web and the wide coverage offered by our agency specializing in the agri-food sector. And take our magazine!

Come and visit us at Stand 8AOOB at IFEMA-Feria de Madrid.

We will wait for you!
