UNIQ supports with its sponsorship the Annual Fruit and Vegetable Conference of Agri-Food Cooperatives of Spain

UNIQ **has supported the annual Fruit and Vegetable Day held on November 10th in Valencia, by** Agri-food Cooperatives of Spain**. An event attended by more than a hundred agricultural cooperatives from Spain, France, Belgium and Italy.**

The Spanish cooperative horticultural sector, formed by more than 600 cooperatives and a turnover of around 4,500 million euros, met with representatives of other countries to talk about community policies and commercial relations.

Cirilo Arnandis, president of the Sectoral Council of Fruits and Vegetables of Agri-Food Cooperatives of Spain, thanked the inauguration of the "unconditional support to the service of the sector" of brands such as UNIQ, undisputed leader in agricultural packaging of corrugated cardboard. A collaboration that strengthens the close relationship of the cardboard industry with agriculture.

> Carton packaging plays a fundamental role for all the agents involved in the production and marketing of fruit and vegetables, providing efficiency, profitability and quality
